ANDERSON HIGH SCHOOL
Route 3
Burlington, North Carolina

Dedication

We, the Senior Class, dedicate the TREASURE CHEST of nineteen hundred and fifty-eight to the dearest people on earth, "our parents".

To you who have provided for us this modern education, we extend our heartfelt thanks. You have enabled us to begin the acquisition of what Aristotle called "an ornament in prosperity and a refuge in adversity---an education."

We know that you, too, are happy in our success, for you have always aided us when we faltered and urged us on when we loitered. You have given us always your sympathy and understanding. Without your provisions for our education, it would not have been possible.

To you, our parents, we want to express our deepest appreciation.

Class History

Great moments and small moments---happy moments and sad moments---moments of victory and moments of defeat---all of these fit together to provide the magic net which held the Class of 1958 together with one great aim--graduation. This stepping stone towards building a foundation on which to base a life of useful service to ourselves and our fellowman began in 1954. Among those who endeavored to guide us toward individual successes were our home-room teachers, Mrs. Taylor and Mr. Brown who held this responsible place during our freshmen year. Our Class Officers were President, Brenda Bulter; Vice President, Homer Brintle; Secretary, Myra Aldridge; Treasurer, Lula Mahaley. We had become attached to a world of dreams that come true only through hard work and concentrated effort.

In our second year of preparation to meet the challenge of the future, we shall always appreciate and remember Mr. Gillespie, our homeroom teacher. We hope that this record will preserve some of the priceless memories of our sophomore year and that when we reread our class history the best years of our lives will be brought back to us. Class Officers were as follows: President, Homer Brintle; Vice President, Glenda Tate; Secretary, Brenda Bulter; Treasurer, Lula Mahaley.

Our Junior year in 1956 was a great experience for all of us. We were embarking on a life filled with adventure and we knew that we were nearing our goal to face a world which overflows with opportunities for advancement. The highlight of our Junior year was the banquet we had for the Seniors at the Danville Country Club. Those who served as our Class Officers for the Junior year were President, Douglas Simmons; Vice President, Shirley Fitch; Secretary, Jeanette Gwynn; Treasurer, Lula Mahaley; Historian, Linda Rainey.

All in all, it has been a great experience for the Class of 1958, but no member of our class will be satisfied to rest on his laurels. Each Senior will agree that "The things we've done will seem so small in the face of the things we will do." We are climbing a golden ladder that has no ending. Those elected to head our class for the Senior year were President, Douglas Simmons; Vice President, Homer Brintle; Secretary, Rovena Page; Treasurer, Lula Mahaley; Historian, Brenda Sutton.

We worked with great anticipation toward our trip to Washington, The Senior Play, and the other activities that accompany the Senior year. The Class of 1958 is truly grateful to the class of Juniors following us for their having honored us with a banquet.

It was Mr. Littell who served as home-room advisor and counselor during our Junior and Senior years. To him and the entire faculty, past and present, we pay tribute for their understanding, patience and guidance in that always precarious situation of entering a new cycle--that of being a high school student.
